

DOQU

Art on Wall

We create design, because we believe in difference. The difference that even just one wall can make,
starting from the silence of a blank page and getting to the emotion of an engaging story.
Because in the space of a room, each wall is a precise facet of an idea, a choice, a personality, a whole world.
We are ready to tell yours.

DOQU

Real masterpieces created by artists and designers which are characterized by a great level of depth and realism.

The **DOQU**
collection is made

with completely environmentally friendly materials and are designed to be in harmony with all the furnishings and surfaces already present in your surroundings.

There is special attention dedicated to the combination of floor and wall tiles.

The result is an incredible artistic and decorative effect.
